LEARN THE ADVANTAGES OF CREATING YOUR OWN SOCIAL NETWORK

Don't you think it's time to add a social media campaign to your marketing plan. Don't know where to start? Let us help you create an action plan to harness the power of social media to work for you.

At the end of this workshop you will have a online presence and understand what social media marketing can do for you and your business.

If you are feeling the pressure to start but don't know where to begin, here is a one day workshop you don't want to miss.

Among the skills and insights you'll learn:

- Facebook, LinkedIn, Twitter, Wordpress, YouTube and more...
- Understand what each platform can do for your business
- Get your online profiles created and optimized
- Learn the value of creating a social community
- How QRCs & blogging can help bring you business
- Develop your online video strategy
- Leave this workshop with your own online presence in place
